# *Bergspriset*

Bergspriset ges till den herr- respektive damåkare i Vasaloppet som kommer först till Evertsberg.
Stenen med Bergsprisvinnarna i Evertsberg invigdes 1984. Det finns även en sten med de första damerna, som restes 1997, då damklassen blev officiell.

* Har samma år både vunnit Vasaloppet och varit först i Evertsberg.
** 2021 startade Vasaloppet på Tjärnhedens IP.

# *Vasaloppet – The top three 1922–*

* Record time
** No woman registered an entry for the first Vasaloppet in 1922, and only one in 1923. Subsequently Ski Federation regulations meant that women could not take part between 1924 and 1980. From 1981 on, women were allowed to participate and, from 1997, they have had their own competition class in Vasaloppet.
